BJH Windows and Conservatories Ltd are a well known Portsmouth based family run business

With its humble beginnings in the garden shed of founders Brian and June Hamilton 40 years ago, BJH has stood the true test of time & progressed to become the trusted & respected all round company of today.

Situated in Farlington, the factory, warehouse and showroom are easily found - perfectly positioned to service Hampshire, West Sussex, Isle of Wight and beyond.

Managing Director Alan Hamilton says "taking BJH Windows & Conservatories into the 21st Century using the latest products & manufacturing techniques coupled with our solid old fashioned standards of personal service and attention to detail ensures that our reputation locally as a trustworthy and respected company is maintained."

BJH Windows & Conservatories offer a complete service from design through to manufacturer and installation by our very own teams of long standing and experienced installers.

We work with PVCu, aluminium and hardwoods to produce your specific requirements, whether its windows, doors, porches, orangeries or conservatories.

We have the experience you need for those slightly more unusual jobs. Both modern and traditional designs have been created in all of the top quality materials and products we use and trust.

Alongside our own fitting teams we are able to provide reliable local tradesmen who we have built up

relationships with over several years. These include builders, electricians, plumbers and lead work specialists. We are also MCS accredited and able to design and install Solar Photovoltaic panels.

BJH Windows are a Fensa regulated company. Other important accreditations include BS5750/ISO9002, Guild of Master Craftsmen, Real, BBA and Ultraframe Registered Installers.
