MOOCowes week

MOOCOW opened its doors for its sixth cowes week offering a mix of informal dining, cocktails evenings and party nights. cowes week revellers enjoyed the culinary delights of a summer BBQ on the opening weekend, followed by tapas evenings at the start of the week, ending with the now infamous ladies cocktail night on the thursday and the MOOCowes week soirée closing party on the final saturday

- ❖ pink flamingo cocktails
- ❖ BBQ in the rain

SUMMER BBQ / COCKTAIL EVENING TAPAS

what better way to start off cowes week than with a summer BBQ? at least it was a traditional british summer BBQ in the rain!!!

not that a bit of rain can dampen MOOCOW's spirits - all the MOOs were seated comfortably inside in the dry whilst mikee cooked the BBQ outside under the protection of the gazebo

we then had a full house for the midweek tapas evenings - one in glorious sunshine the other in torrential rain

MOOs enjoyed the mediterranean inspired tapas dishes whilst sipping on cowes week [westerhall rum](#) cocktails

ladies cocktail night returned for another year sporting a pink flamingo theme

all seven cocktails were pink and named pink flamingos so were referred to as No1 to No7

all the accessories!

pink flamingo No1 was the most popular - it was served in our mini pink flamingos with

of course it only takes a few pink flamingo cocktails to get the MOOs into the party spirit:

MOOCOWES WEEK SOIREE

MOOs enjoyed [westerhall rum](#) pink 'n' stormy or rum punch cocktails on arrival whilst being entertained by the fabulous [FaT SAMBA](#) and [melanie m j griffiths](#)

MOOs were treated to jerk chicken jambalaya cooked on the open firepit before dancing the night away inside to the funky dj

not to mention the obligatory limbo dancing
