

WAKATERE BOATING CLUB

LEARN TO SAIL COURSES for ADULT & YOUTH SAILORS

Wakaterere holds Learn to Sail courses in a two person dinghy, the RS:Feva. These boats are owned by Wakaterere and cater for our youth and adult groups.

Adult and Youth courses are run separately. Adult courses are run during school term time. Youth courses are run in the school holidays. Demand drives the courses.

All courses employ YNZ qualified coaches using the [YNZ standard](#)

About the boats: the RS Feva is world's leading double handed dinghy for youngsters and parent / child teams. An International Class with events around the globe, the RS Feva is fast-growing in most developed sailing nations and expanding into others every year. Chosen by families, clubs and National Authorities to build the pathway to a lifetime in sailing – the RS Feva offers a double-handed alternative and a stepping stone at the crucial time in sailing lives. Exciting performance is the secret behind the success. Modern styling and practical features make it irresistible.
