### Cruise to Ipswich Haven Marina

### 21 & 22 August

Members are invited to join us on this Club Cruise to Ipswich Haven Marina (<https://www.ipswichhavenmarina.co.uk/Home/>) on Saturday 21st and Sunday the 22nd August.

This is normally the weekend of the Ipswich Maritime Festival. This year there is, instead, an event called Summer Fest which is being held on the waterfront – see below for more information.

<b>Saturday</b>	<b>HW 11.40</b>
	<b>LW 17.45</b>
<b>Sunday</b>	<b>HW 12.29</b>
	<b>LW 18.33</b>

**add approx 30 mins for HW at the lock gates.**

Places have been reserved for up to 15 yachts at the Marina (VHF CH 80 Marina office phone no 01473 236644). This is usually a popular event so book early to avoid disappointment.

#### **Ipswich lock**

[https://www.ipswichhavenmarina.co.uk/Operation\\_of\\_the\\_lock/](https://www.ipswichhavenmarina.co.uk/Operation_of_the_lock/)

Vessels seeking to lock in, please call 'Ipswich Lock' when passing the Orwell Bridge on VHF channel 68. Transiting the lock during free flow which is normally 40 to 30 minutes before HW. During free-flow vessels are still required to call 'Ipswich Lock' when passing the Orwell Bridge.

**On Saturday evening** from 18:00 onwards the crew of Seabiscuit (Peter and Anita Burrows) invite you to join them outside the marina office for drinks nibbles. Optional BBQ to follow. Please bring your own drinks, glasses and food plus seating.

## **What's on**

On Saturday 21st and Sunday 22nd August there is an Event called SummerFest being held on Orwell Quay, consisting of fully programmed stage, fun fair, marketplace and food and drink concessions with a firework display on the Saturday evening. This should be a fun event.

For those that have not been to the marina before there are plenty of bars and eateries around the marina, it is within walking distance of the main town and it is, of course, where the Spirit Yachts are made.

## **To book a place**

Please book online by logging onto the Members section of the Website. Before doing so please make sure that all your details in the Members' section are up to date e.g., boat name, LOA, beam, draft and emergency contact details.
