

ARROW TROPHY REGATTA 2021

Saturday 2nd & Sunday 3rd October, 2021

NOTICE OF RACE

The organising authority is the Royal London Yacht Club (RLYC), Cowes in association with the Arrow Trophy Yacht Racing Association (ATYRA).

1. RULES

- 1.1 The Regatta will be governed by:
 - (i) the rules as defined in The Racing Rules of Sailing (RRS);
 - (ii) RYA Prescriptions;
 - (iii) the rules of the Sunsail F41 Class and of the Fairview Sailing Oceanis 37s.
- 1.2 During the Fleet Racing Stage, the Addendum to the Notice of Race (NoR) - Umpired Fleet Racing - shall apply.

2. BOATS, DAMAGE AND ELIGIBILITY

- 2.1 Racing will be in two separate fleets in Jeanneau Sun Odyssey F41s chartered from Sunsail Events (UK) (Sunsail) in Port Solent and Beneteau Oceanis 37s chartered from Fairview Sailing at Port Hamble Marina. Allocation of entrants to yacht classes will be made by the ATYRA Management Committee based on performance in the past four Arrow regattas, with one discard allowed. Within classes, boats will be allocated at random by each charter company. There shall be no request for redress relating to the allocation, changing RRS 62.1.
- 2.2 Each boat is subject to a damage excess of £3,000 (with a deposit of this amount payable by credit card on collection). Charter companies may offer schemes to reduce this excess on payment of a fee and entrants will be informed of options prior to the event. In the event of damage occurring as a result of contact between boats, the skippers should try to agree an apportionment between them. If agreement cannot be reached, members of the Management Committee of the ATYRA as invited by the Chairman, and inviting others as experts, will call a hearing and having heard the parties, and taking into account any decision about the incident by the protest committee, shall decide on the fair apportionment of the cost. There shall be no appeal from the decision of the Management Committee.
- 2.3 The event is open to all members of ATYRA subject to the provisions of its constitution and to associate members if enough yachts are available for charter.
- 2.4 Sunsail F41s shall be crewed with not more than 10 people and no fewer than 8 including the helmsman. All members of the crew shall be **past pupils** of the school team they represent unless the Race Committee approves, at the race briefing, the inclusion of not more than 2 people who are not past pupils. People who are not past pupils shall not act as helmsman or tactician and all competitors must be aged 18 or over.
- 2.5 Fairview Sailing's Oceanis 37s shall be crewed with not more than 8 people and no fewer than 6 including the helmsman. All members of the crew shall be **past pupils** of the school team they represent unless the Race Committee approves, at the race briefing, the inclusion of not more than two individuals in a total crew of eight or one individual in a total crew of fewer than eight who are not past pupils. Exceptionally, with the agreement of all participating skippers on the day of the event, the Race Committee may approve additional crew members who are not past pupils. People who are not past pupils shall not act as helmsman or tactician and all competitors must be aged 18 or over.
- 2.6 All crew members including the helmsman shall be Group 1 competitors in accordance with the World Sailing regulations, that is to say they take part in racing only as a pastime. If a competitor is classed as a Group 3 competitor due to their work then this is to be declared at the race briefing and the fleet will need to agree that the competitor is not a professional yachtsman.

3. ENTRY

- 3.1 Entries must be made using the form available on the ATYRA website (www.arrowtrophy.org) with a deadline of Monday 10th May 2021. A deposit, as notified separately by the Management Committee, shall be paid by the same date. The Management Committee may accept late entries if it decides to do so in its absolute discretion and only if yachts are available.
- 3.2 The balance of the entry fee (as separately notified), which includes the charter fee payable to Sunsail Events (UK) and Fairview Sailing, together with the cost of berthing at Cowes Yacht Haven from 1700 on Friday 1st October until 0900 on Sunday 3rd October shall be paid by Monday 12th July 2021.

The leading four boats in the Sunsail F41 class shall qualify for the Match Racing Stage and all other boats shall qualify for the Residual Stage. If any one of the four qualifying boats decides not to take part in the Match Racing Stage, the fifth or subsequent boat shall take her place.
- 4.3 The Match Racing Stage shall take place on the Sunday and shall consist of a round robin for the four qualifying boats and such other stages as the organising authority shall decide.
- 4.4 The Residual Stage shall take place on the Sunday and shall consist of not more than two races, in separate F41 and Oceanis 37 fleets.

- (a) they are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
- (b) they are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
- (c) they accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
- (d) their boat is in good order, equipped to sail in the event and they are fit to participate;
- (e) the provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their own responsibilities; and
- (f) they are responsible for ensuring that their boat is equipped and seaworthy so as to be able to face extremes of weather; that there is a crew sufficient in number, experience and fitness to withstand such weather; and that the safety equipment is properly maintained, stowed and in date and is familiar to the crew.
