On Saturday evening from 1700 onwards the crew of Mazza invite you to join them for a reception ashore - look for the big black HPYC flag to find us. Please bring your own drinks, glasses and, if desired, some nibbles.

*We have booked the BBQ area but for those who don't want to wrap up warm for an autumnal BBQ there are plenty of places in the town to eat. We are also planning some crazy activities during the Saturday afternoon so watch this space !*

Please book online by logging onto the Members section of the Website. Before doing so please make sure that all your details in the Members' section are up to date e.g., boat name, LOA, beam, draft and emergency contact details. Your booking will be acknowledged by email. Please also check the Cruising page of HPYC's website for the standard Risk Statement for Cruising.

A few days before the cruise we will send an e-mail with more information. If you are going to be in the Lightship the evening before the cruise, we look forward to seeing you there. During the Covid restrictions though don't forget you will need to pre book your table at the Lightship.
